# Welcome to Evje!

It is with great pleasure that we invite you to participate in the Traditional Taekwondo Union Summer Festival in Evje. In 2023, Evje TKD is the host. The summer festival is open to all taekwondo practitioners. As in previous years, there was varied trainings, with Taekwondo, but also other styles such as Sun-mudo, Gyong-dang and Traditional Korean Dance.

## Program 12.-16. juli 2023

Wednesday	12.july	<b>Dan- og Kodanjugraduation</b> , Opening ceremony.
Thursday	13.july	Trainings, Kukkiwon-cup
Friday	14.july	Trainings, Sledgeball-tournament
Saturday	15.july	Trainings, demonstration show. Korean BBQ, closing ceremony.
Sunday	16.july	Trainings and ending.

## This year's festival

The camp this year will be divided into two parts. On the first day, the Kukkiwon Cup is held. This will be a competition day with a slightly more traditional setup. We don't have much information yet, but this marks the start of this year's summer camp.

This year, among other things, we will be visited by masters from South Korea, and of course many of TTU's own masters from Norway and Denmark. We hope many children will come to the camp, as there will be a full program for children, with lots of training, and some other activity in the afternoon. For parents, this year there will be separate training sessions, where no prior knowledge is needed.

This year, the 2nd unofficial WC in sledgeball will be held, and we hope there will be many teams participating.

## Location and info

The festival will be held in Otrahallen with address: **Gymnasvegen 9-26, 4737 HORNNES**. The school we will be sleeping at is Hornnes Barneskole and it is right nearby. We also have access to rooms in a dormitory for those who want it. The easiest way to get here is with your own car. If you are going by plane or train, you aim for Kristiansand, and take a bus from there for an hour to Hornnes.

More complementary practical information about the programme, prices, graduation and location can be found on our Summer Festival 2023 page at TTU.no
