

WELCOME TO BØ

The Bø way of life is "the good life" – You are welcome to join us!

We don't have many fences og prohibition signs

These common rules help us avoid putting them up:

- Hiking and camping in the grasslands are not allowed
- Camping is not allowed under the stockfish racks
- Avoid wild and grazing animals of all kinds
- Hold the dog on a leash and gates closed
- Follow speed limits or let cars pass you
- Camp and park carefully, and not on private property
- Take your waste with you, preferably also human waste
